Extension: Rule 30b2-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit the existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 30b2-1 (17 CFR 270.30b2-1) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.) (the “Investment Company Act”) requires a registered investment company (“fund”) to (1) file a report with the Commission on Form N-CSR (17 CFR 249.331 and 274.128) not later than 10 days after the transmission of any report required to be transmitted to shareholders under rule 30e-1 under the Investment Company Act, and (2) file with the Commission a copy of every periodic or interim report or similar communication containing

financial statements that is transmitted by or on behalf of such fund to any class of such fund's security holders and that is not required to be filed with the Commission under (1) above, not later than 10 days after the transmission to security holders. The purpose of the collection of information required by rule 30b2-1 is to meet the disclosure requirements of the Investment Company Act and certification requirements of the Sarbanes-Oxley Act of 2002 (Pub. L. 107-204, 116 Stat. 745 (2002)), and to provide investors with information necessary to evaluate an interest in the fund.

The Commission estimates that there are 2,401 funds, with a total of 11,555 portfolios, that are governed by the rule. For purposes of this analysis, the burden associated with the requirements of rule 30b2-1 has been included in the collection of information requirements of rule 30e-1 and Form N-CSR, rather than the rule. The Commission has, however, requested a one hour burden for administrative purposes.

The collection of information under rule 30b2-1 is mandatory. The information provided under rule 30b2-1 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on

respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street, NE, Washington, DC 20549; or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: September 11, 2017.
